

Operation Delilah

L Cell

Lam (Inactive) Federal Bureau of Investigation

Leopolde (Inactive) Drug enforcement Agency

Lori (Inactive) Alameda County Sheriff's Department

Lyon (inactive) Psychologist Paranormal Studies

6. June, 2006 :Tasked investigating and containing potential Unnatural risk in cult located in and around San Francisco Environs in concerns to Cult dedicated to **Sumerian Sea Diety**.

Agents infiltrated organization, new religious movement: multicultural, does target Polynesian/Oceania cultures for sympathetic membership. Group is quietly anti-xtian. Dogma focuses on levels of enlightenment.

Agent **Lyon** develops **telepathy** after 'baptism' and acceptance into high level of the order.

Agent **Lam** gained access to recruitment wing; disturbed by Love Bombing and increasing pressure for kidnapping and forced conversion.

Agents found psychedelic drug use used during ceremonies for clergy and leadership. Dosage near microdosing. **Which pharmaceutical is unclear**.

Agent **Lori** Disappeared 11 November, 2006 presumed deceased. Last known location Half Moon Bay Beach Community. was traveling with cult elders.

Agent **Leopolde** 13 November 2006 found deceased. Puncture wounds post mortem between each rib. **Striations** present on both arms **and neck slit**

ritualistically bilaterally. Eye lids and lips surgically removed. Agent was located in an overflowing bath tub in Mission District apartment. Autopsy reflected death by drowning, showed signs of struggle.

Agent Leopolde case closed. SFPD obtained confession from vagrant known as George Richter

Richter committed suicide while in jail holding cell by repeatedly ramming larynx against sink edge.

15 November 2006. All contact with remaining L cell members ceased.

Whereabouts for Agents Lyon and Lam unknown. KOS order delayed per A Cell.
